

Hi!

I couldn't wait to share this exciting event with you.....

Discover the Secrets of How To Escape The Rat Race, Release Debt, Be At Home with Your Children, Raise Respectful Young Adults, Save your Marriage, Travel Around The World, and Live the Life You Dream of.....

Now YOU too can join the 'elite' who seem to have it all:

- Significance and success in their own business.
- A loving, supportive, intimate connection with their spouse.
- Create their own hours so they can spend more time with their children.
- Give their children the best education EVER... even home school them effortlessly so that they can go wherever they want, whenever they want.
- Build or live in their dream home.
- Never be burdened by debt. "They are a borrower of none and a lender to many".
- Schmooze with positive, like-minded people and are uplifted instead of 'drained and pained' when they get through a conversation.
- Have security in their business. They have a steady stream of income built right in with OUT having to take a J.O.B. to ensure that food is on the table.

It's true!

The BEST Part Is.... YOU ALREADY HAVE EVERYTHING YOU NEED AT YOUR FINGER-TIPS TO MAKE THIS HAPPEN IN YOUR LIFE! You just have to UNLOCK the DEAD-BOLTS of this DEAD-END existence and OPEN the DOORS To 'THE LAND OF MILK AND HONEY!'

Hey! If you want more information go to the website and download the schedule of the events.

www.livingthelifeyou dream.com

You know the definition of insanity don't you? 'Doing the same thing over and over again and expecting different results.'

My question to you is....

"WHAT ARE YOU DOING TO MAKE THOSE POSITIVE CHANGES HAPPEN IN YOUR LIFE RIGHT NOW?"

"I met Kathleen only three months ago!

Since that life transforming first few minutes... when I took her unmistakable advice to success, I have

- written a book (almost ready to sell)
- Overcome HUGE life obstacles
- Created and mended better relationships
- Produced a slide show DVD on the Nesting Habits of Ravens
- Become a Professional speaker, helping others to succeed
- Started a very successful and thriving computer business
- And MY LIFE HAS CHANGED...

Rod MacKay, author, professional speaker, entrepreneur

It's easy to register for the event, but I would act really fast if I was you. Why? Because you don't want to waste another day, month, year, moaning and groaning about how you want to be more successful, have better relationships with your family, or live a different life.

I spent too many years struggling to build a business so that I could be at home with my daughter Dannielle when she was a baby.

My husband was an Automotive Technician. He pulled wrenches, day after day, day in and day out to try and make ends meet.

He worked SO hard that he was missing out on the **MOST IMPORTANT mission of his life**, seeing his daughter grow! He would leave before she woke up in the morning, and came home just in time to put her to bed.

Every paycheck got swallowed up even before he handed it to me to pay the bills. Forget NOTHING left over, how about the fact that it didn't even stretch that far?

My business adventures looked good and I must admit I did build them up to the point they were going to make some money... but that last time? I got sick and lost everything I had built.

Dan could NOT do it anymore. The fight about money, the new baby, the new house we could no longer afford, the new car we couldn't pay off... the constant calling of the debt collectors... we HAD TO MAKE SOME HARD, BUTT-UGLY DECISIONS....

We had many choices... but it didn't seem like we had any easy ones. We certainly didn't have successful mentors who could guide us in self-management, relationships, financial house building, business building, education options etc.

WE DIDN'T HAVE ANYONE TO SHOW US HOW TO LIVE THE LIFE WE CRAVED, THE LIFE WE WANTED SO BADLY, THE LIFE WE DREAMED OF DAY IN AND DAY OUT...

So, here are some of our choices (of course, many were scratched off the list immediately... others we DID choose and then learned about consequences from there).

- Go bankrupt
- Give Danielle up for adoption
- Get divorced
- Move to where there was more employment (there was also a slow down where we lived for Dan's line of work).
- Find a business that could support us

*This is
painful to
remember!*

Ooh, that is enough of that. I shudder when I think about it ... you get the picture. As you might have guessed it was very, very bleak....

FAST FORWARD... Well, as I said, we took some of the choices and immediately scratched them off of our list... The MOVE was definitely the right thing to do. Building a business with security? Even better... (Of course this is a VERY long story ... made very short) but I want to tell you something. Making choices to change is SMART; ACTING on the choices to change is **SUCCESS HABIT #1.**

At 36, (I was 34) my husband retired from the automotive industry.

WE UNKNOWINGLY PUT INTO PRACTICE THINGS YOU WILL BE TAUGHT AT THIS CONFERENCE...

HERE IS WHAT HAPPENED:

- **Dan and I are BOTH at home** where we belong to help our daughter grow.
- My husband invests in our **business success** (some of these things I will reveal along with all of the speakers...at the day event).
- We are **traveling around the world.** Dannielle is going to be home-schooled so that **she can get an education beyond text-book smart...** (although they need that too) She can get **REAL WORLD education.**
- As a result we are **taking PAID vacations.**
- Enjoying our **4000 square feet of living space** (our home we are still renovating).
- We have been **happily married** and more in love than EVER, for almost **17 wonderful years** (YEAH! Only a couple more months 'til our anniversary!). I can honestly say we are **BEST friends** and business partners in everything life brings us.

- Our daughter is almost 15 (yikes **TIME DOES FLY- I thank GOD we didn't miss it!**) and hangs out with a great group of friends (both male and female) that go out together. They skate, swim, go to movies... all the activities that are healthy. They are NOT going to parties with alcohol, drugs, and who knows what. **WE KNOW WHERE SHE IS AND THAT SHE IS SAFE, HEALTHY AND HAVING A GREAT TIME!** Who wouldn't want that for their kids?

YEAH! We ARE living the life we USED to dream of...but what about now?

Our DREAMS are BIGGER and BETTER...

and we are using the SAME success tools to move through this new and exciting adventure.

“When I met Kathleen I was ready to launch and share the success habits that I learned in my life. Her philosophies tied so closely into what I wanted to do!

What do I have in my life that I can say this?

Sue and Les Kruszewski...

"5 kids, professional careers, mortgage, bills... you know it... pulled in different directions. Kathleen helped us by showing us that our PASSION is the KEY to living a fruitful life.

Now? We are ready to share with the world, how to manage it all and still be filled with JOY.

I (Les) want to be at home with my kids not locked away at high stress job (I love what I do don't get me wrong!) But I MISS my kids, my wife and a simpler life.

I (Sue) enjoy being a Mom, a Wife, and a Business Woman... I thought I would have to get a job to make life easier... but... we used our success tools that kept us together in our marriage of almost 20 years! We have raised these amazing young people and we are ready to share it with the world.

We have more than most, and now, our BIG DREAMS are coming into fruition. How about yours? Come talk to us at the event!

PPPS: OH, one more thing I missed... if you don't live in the city this event is taking place in... good! I want to **STOP THE EXCUSE BUG THAT KEEPS US STUCK RIGHT NOW!**

SUCCESSFUL PEOPLE FIND A WAY TO MAKE THINGS HAPPEN!

As much as we want to help you (all of the Speakers at the event) with our valuable, life-changing advice... we **CAN NOT MAKE YOU CHANGE...** you HAVE to make the CHOICE to come!

SO... to those that find the following excuses acceptable, I have this to say to you now. **"CHANGE means you have to actually CHANGE what you are doing... which sometimes might be UNCOMFORTABLE..."**

Excuse #1 ...Oh my Gosh! It is in a different city from which I live, play and am from. Whatever shall I do?

For Heaven Sakes... GO! God invented buses, trains, planes, and automobiles for a reason. **Find people to go with.** Come as group. **Ask and see if anyone else is coming** from your city. **Do what it takes to get the job done.** You won't leave empty handed.

IF you do NOT live in the city this event takes place in... **I will give you a \$50 gift certificate** (same certificate information applies as above). This, I hope will at least help to **motivate you to make the leap of faith- for change!**

You HAVE to do it by yourself but you don't have to do it alone!

Don't let this stop you from making it a weekend get away... we all need time off!

There is a list of hotels that you can **ask our Event Planner** for. Some will give you discount prices (like the hotel we are at) AND some FAB places are already offering a GREAT price.

Want that information?

Send us an email at: info@livingthelifeyoudream.com

Excuse #2 ... "I can't afford it! That is WAY too much!"

Do whatever it takes to make it. \$129 for your future is peanuts to pay. Most people leave with so much information that they can **make that money back AND THEN SOME** at the end of the day.

If you HONESTLY & SINCERELY don't feel that it was worth your hard-earned bucks to come, **I will personally GUARANTEE your FULL MONEY BACK!**

Just go to the registration desk at 5:30PM and we will hand you a cheque for \$129, wish you the VERY BEST on your future success and all will be good.

it usually costs more than this to go out for a night on the town!

No more excuses...
